FOURNAL OF THE CITY, strike only at the common foe.

SATURDAY MURRING, : :: MAY 6, 1871

recovered as to emble him to enter of a proclamation, in which he upon his duties, and will commence an active canvass to-day. Our excellent mayor, John Johnson, and lent mayor, John Johnson, and may other prominent citizens head that all traces of our late unhappy many other prominent citizens head civil artife may be speedily removed. the list with liberal contributions, and civil strife may be speedily removed. we trust all will cordially and willingly give something to an object so commendable. Heavy individual contributions are not and by due and proper enforcement of expected, but it is desired that equal just and impartial laws in every all who feel an interest in the enter- part of our country," O, most wise gratitude should be generously met. No one who respects and venerates the memory of Robert E. Lee will of their idolized hero. The humblest the obelisk or mausoleum is unattainable, will still manifest his attachment or veneration by an humble cross, or some humbler stone. In the rudest ages of the world, as well as the most civilized, the memory of departed worth is cherished, humble tumulus. Even among the for the future, eat and sleep and plot

Democratic party will "accept the site of day selected by the ladies of Memphis for decorating with flowers, and other emblems of veneration and love, the graves of those who died for a cause the President and the scaptall Democratic party will "accept the site of the votes of many men who have, during the past lew years, acted with the opposition. These cannot be procured by defacing the lines of demarcation between the two parties. It there be no distinguishable difference between them, men will say:

The President and the scaptall Democratic party will "accept the site of the wharf Committee on the petition of several parties in relation to the condition of the wharf, praying for the water that the condition of the wharf, praying for the extension and improvement of the same, "also a report of same committee on a resolution in relation to the condition of the water, praying for the water that the condition of The President and the scapfall Democrate party description should be closed, and the entire community turn out and participate in the memorial services. Let every mother, wife and the scapfall Democrate party description, when a common platform; but this foul and natural embrace of political harlots will only nerve the Democratic party with renewed strength. When the implemental principles of governvices. Let every mother, wife and sister repair to Elmwood during the day and pay, in effervescent wreaths and floral tributes, a small installment to revolutionize the existing order of things, and erect a new state of the centralization of all power in the contralization of all power in the co of the great debt we all owe to the affairs; when it is attempted to break marriyzed dead. Let us all join in down with the centralization of all power in the General Government, we shall cermariyred dead. Let us all join in sametifying and keeping forever buly this day, and join in an effort to rescue from forgetfulness the names of the true and tried, the gallant hearts that went forth to the shock of battling of a Constitutional Republic of Sovehosts, baptised the cause with their island and won the martyr's crown. "Forget not the faithful dead?" was the touching appeal of the poet Korer, he of the line and sword, who fell ere the noon of a noble manhood, and is fighting for his principles. The graves of a Constitutional Republic of Sovering to the Constitutional Republic of Sovering to Sovering to Sovering to Sovering to the Constitutional Republic of Sovering to Sovering the views which the Appear has expressed for the last twelve months, and we are gratified to the southwest corner of Court and Main streets; one at twelve months, and we are gratified to the southwest corner of Court and Main streets; one at twelve months, and we are gratified to freemen. The President has done, is doing these things. He has trampled; issues are made which must be uset with the mind and spirit to freemen. The President has done, is doing these things. He has trampled to the Constitution, and is splitting for his principles. The graves Sighting for his principles. The graves seeking to maintain his power by question in this matter which cannot on the pertion and ordinance in relaof fallen chivalry should never be neglected. In no more effectual manner can we instill a love of country, a self-marificing spirit among the rising youth than by thus manifesting a tronscription and tenderness for the veneration and ending with the enforceveneration and tenderness for the ment acts, crowned by the infamous Constitution as it may propose? We 3, 1871. memory of those who, leaving their home and all that was dear, bared their breasts to the storm and died in their breasts to the storm and died in their country's defense. In traveling this great country.

To the Honoradis Mayor and treneral to the bemocracy of the United States to protest against any such foul usur-pation, which is based upon a parish church having over the pulpit, in full view of the congregation, a tablet containing more or less names under the follow
To the Honoradis Mayor and treneral to the Council:

Your Firs Committee would recombine the party of the United States to protest against any such foul usur-pation, which is based upon a principle that not only was applied in the past, but is threatened in the future. If the party in regard to the congregation, and that it is the duty of the Democracy of the United States to protest against any such foul usur-pation, which is based upon a principle that not only was applied in the past, but is threatened in the future. If the party in regard to the congregation, and that it is the duty of the Democracy of the United States to protest against any such foul usur-pation, which is based upon a principle that not only was applied in the past, but is threatened in the future. If the congregation, and that it is the duty of the Democracy of the United States to protest against any such foul usur-pation, which is based upon a principle that not only was applied in the past, but is threatened in the future. If the party in regard to this doubt in regard to the congregation, and that it is the duty of the Democracy of the United States to protest against any such foul usur-pation for the United States to protest against any such foul usur-pation for the Democracy of the United States to protest against any such foul usur-pation for the congregation, and that it is the duty of the Democracy of the United States to protest against any such foul usur-pation, which is based upon a principal to the congregation, as the states of the following the ability o more or less names under the following inscription: "Died out of this Church and Congregation," so and so, "fighting for God and their latherland," to the recent triumph of Linton Stephens, in Georgia, He was arraign-trom the Louisville Ledger:

There are "dead issues," and these of the congregation, and the congregation, and the congregation of the constitutional amendments, we have only to refer to the recent triumph of Linton Stephens, in Georgia, He was arraign-triumph of Linton Stephens, and the duty of the constitutional amendments, we have only to refer the constitution of G. D. Croekett, trustee, at the junction of G. D. Croekett, trustee, at the junction of G. D. Croekett, trustee, at the junction of G. D. C

The people are thus led every Sabbath to recall the memory of their dead beroes. In like manner we should be distinctly recognized but they should be distinctly recognized but they should not be confounded with office questions, which, if we propose of the past, imagurate and perpetuate curstoms and certanonies which will keep allive the memories of sacrifices and sufferings endured for us, and sufferings endured for us, and sufferings endured to purpose, and stir answ the spirit of patriotism which caused thousands of the flower in the content of the patriotism which caused thousands of the flower in the Louisville Ledger:

Stephens, in Georgia. He was arraign to before a United States Commission to seed a frame building on the sound side of Markets street, near Fourth to perfect the alleged authority of the sound side of Markets street, near Fourth to perfect the memories of sacrifices in the particular of the description of the flower interest the commission to seed a frame building on the sound side of Markets street, near Fourth to perfect the alleged authority of the sound side of Markets street, near Fourth to preventing negroes from voting. To the arraignment he responded in a street, sat side; one arrow and suffering sendured for us, and stir answ the spirit of patriotism which are some the spirit of patriotism which caused thousands of the flower in the Louisville Ledger:

The petition of Ann I. Cash, claiming the continued to the continued to the should be distinctly recognized, and there should be distinctly recognized with the sound side of Markets street, near Fourth Street, set of the sound side of Markets street, near Fourth Street, set of the sound side of Markets street, near Fourth Street, set of the sound side of Markets street, near Fourth Street, set of the sound side of Markets street, near Fourth Street, set of the sound side of Markets street, near Fourth Street, set of the sound side of Markets street, near Fourth Street, set of the sound side of Markets street, near Fourth Street, set response to their country's call. There is nothing in the commemoration of the Constitution was forced upon the to-day that preciudes the Federal country by most shameful means—
